OLSB Catholic Academy

School Action Plan 2026-2027

All 'Area's to Improve were aspects highlighted as red or orange on the Collegiate P.E audits completed at the completion of the 2025-2026 academic year.

Area to improve	Pupils show very high levels of physical fitness and can work for prolonged periods of time.
School action	We have made progress in regard to the pupils resilience and ability to keep moving in lesson time. After Covid we have found some of our pupils were a little short of fitness, whilst data shows they have begun to make a recovery. We still feel that all of our children would benefit from being encouraged to challenge themselves to move a little more throughout each day. Mr. Sigley & Mrs McCue are running a plethora of initiatives to inspire the children to be the best they can be. We will also continue to use our effort bags as a reward and to tackle socio-economic barriers, as well as our Wall of Fame and Healthy Lifestyle week.
Area to improve	Teaching and a well-balanced, inclusive curriculum enable all pupils to achieve high standards and excel in PE, sport and physical activity.
School action	Staff have benefitted from specialist coaching at OLSB this year with Mr Sigley. Through the CPD audit, staff have shown a marked improvement in their confidence and teacher knowledge across the subject. Moving into the academic year 26/27, we have 3 new members of teaching staff joining OLSB. We will continue to use the CPD model and training structure to support new staff.
Area to improve	Pathways from school to community sport and physical activity exist.
School action	We think our children are amazing at OLSB – especially in P.E! We think it's time our local community knows it too. Throughout 2026/27 we aim to encourage our children to become as active as possible outside of School. We will be strengthening links to community sport and physical activity and tracking how many of children are engaging with it. Ultimately we want our children to lead a healthy, happy and safe life. A great way to do that is to join in organised exercise outside of School.
