

What do you know? Science Sound

Year 1
Year 2
Year 3
Year 4
I know how sound is made.
I know how sound travels from a source to our ears.
I know how sounds are made, associating some of them with vibrating.
I know the correlation between pitch and the object producing the sound.
I know the correlation between the volume of a sound and the strength of the vibrations that produced it.
I know what happens to a sound as it travels away from its source.
