

Amount of grant received Year 11: £17,781

Amount of Funding	Area of Focus	Impact	Evidence of Impact
£5831	The School will 'pool' a % of the funding across the Newman Catholic Collegiate to employ a P.E Specialist. This member of Staff will work individually with teachers, lead Staff CPD, organise tournaments and monitor and evaluate assessment procedures.	<ul style="list-style-type: none"> • Class teachers confidence and competence when teaching PE increases. (measured via observations) • The School will compile evidence of assessment in P.E portfolio, allows for progress to be monitored. (measured half-termly) • 'The School' aims to attend a minimum of 3 PE based CPD sessions to ensure Staff develop their subject knowledge. (CPD sessions records in PE portfolio) <p>'The School' will seek to extend pupils learning by attending various Collegiate extra-curricular events in both competitive and non-competitive environments. (The School keeps a record of extra-curricular events entered per academic year, these records will be used to evidence the increase in opportunities for pupils)</p>	Please refer to the 'P.E Impact document' on the website.
£250	Membership to Stoke Sports Partnership	<p>Opportunities for pupils to access sporting competitions and festivals for all ages in both Hanley and the City. (The School keeps a record of extra-curricular events entered per academic year, these records will be used to evidence the increase in opportunities for pupils)</p> <p>Opportunities for CPD from Nigel Edwards for Staff and Pupils e.g. Playground Leaders</p>	<p>Our children have the opportunity to compete in a range of sports – including representing the school and town at Northwood Stadium!</p> <p>In year 22/23, 32 children represented OLSB at Hanley Town.</p>
£900	Widening the curriculum for pupils through acquiring new equipment/updating all equipment.	The School has purchased a wide range of new equipment (new cricket bats, lunchtime equipment, equipment to complete Inter-House competitions, bibs, rounders, footballs, netball equipment etc).	Increase in the breath of activities taught within the School, higher % of children choosing to be active outside of School.

		This will enable the School to broaden the curriculum and engage more children with new activities. Hopefully this will lead to children representing the School in new activities & a higher % children attending clubs.	
£1850	Widening the variety of fun based sports activities to motivate and engage children during lunchtimes	This will enable the school to engage those children who are not keen to engage with traditional curricular and extra-curricular activities and lead to more children engaging in more physical activity.	Pupil conversation Child participation during lunchtime provision
£240	Purchasing new effort bags.	Ms. Adams will be setting up effort bags in OLSB, this is a Collegiate wide initiative. The purpose of the effort bags is to ensure all children are motivated to try their best in P.E lessons. Children who show exceptional progress or superb levels of effort will be rewarded with an effort bag – this contains equipment that will enable them to play games at home!	Pupil conversation Medals and certificate achievements in PE across the school.
£300	Purchasing a School sports strip	Now OLSB are attending a wide variety of extra-curricular events it is necessary for them to have a School sports kit. OLSB will use a portion of the Sports Premium to purchase this.	Impact document Increased sense of pride when representing the School.
£2470	Hiring transport for Extra-curricular events and Swimming lessons.	Opportunity to take part in swimming lessons and learn an essential life skill. Opportunities for wider groups of children to access non-competitive sports at multi school events. Opportunity for children to take part in different sports at competitive levels.	Children show progress in swimming and benefit from competing against other Schools.
£5940	Swimming lessons	Previously, children attended swimming lessons for 30 min sessions over a 10 week period. We have now increased this	Greater number of children achieving 25m swimming grade.

		<p>to 18 x 1hour sessions to allow children more quality time in the pool and to gain essential water safety experience. Due to COVID gaps in swimming opportunities, we have decided last year to concentrate on Y6 and Y5. Now swimming data is looking favourable we can begin to focus on Lower Key Stage classes whilst ensuring the current Y5/6 meet National requirements.</p> <p>The overall aim is to eventually take younger classes swimming, however, with swimming being an essential life skill, we deem it important to ensure children achieve the 25m grade before high school.</p>
