

**Expressive Arts and Design:**

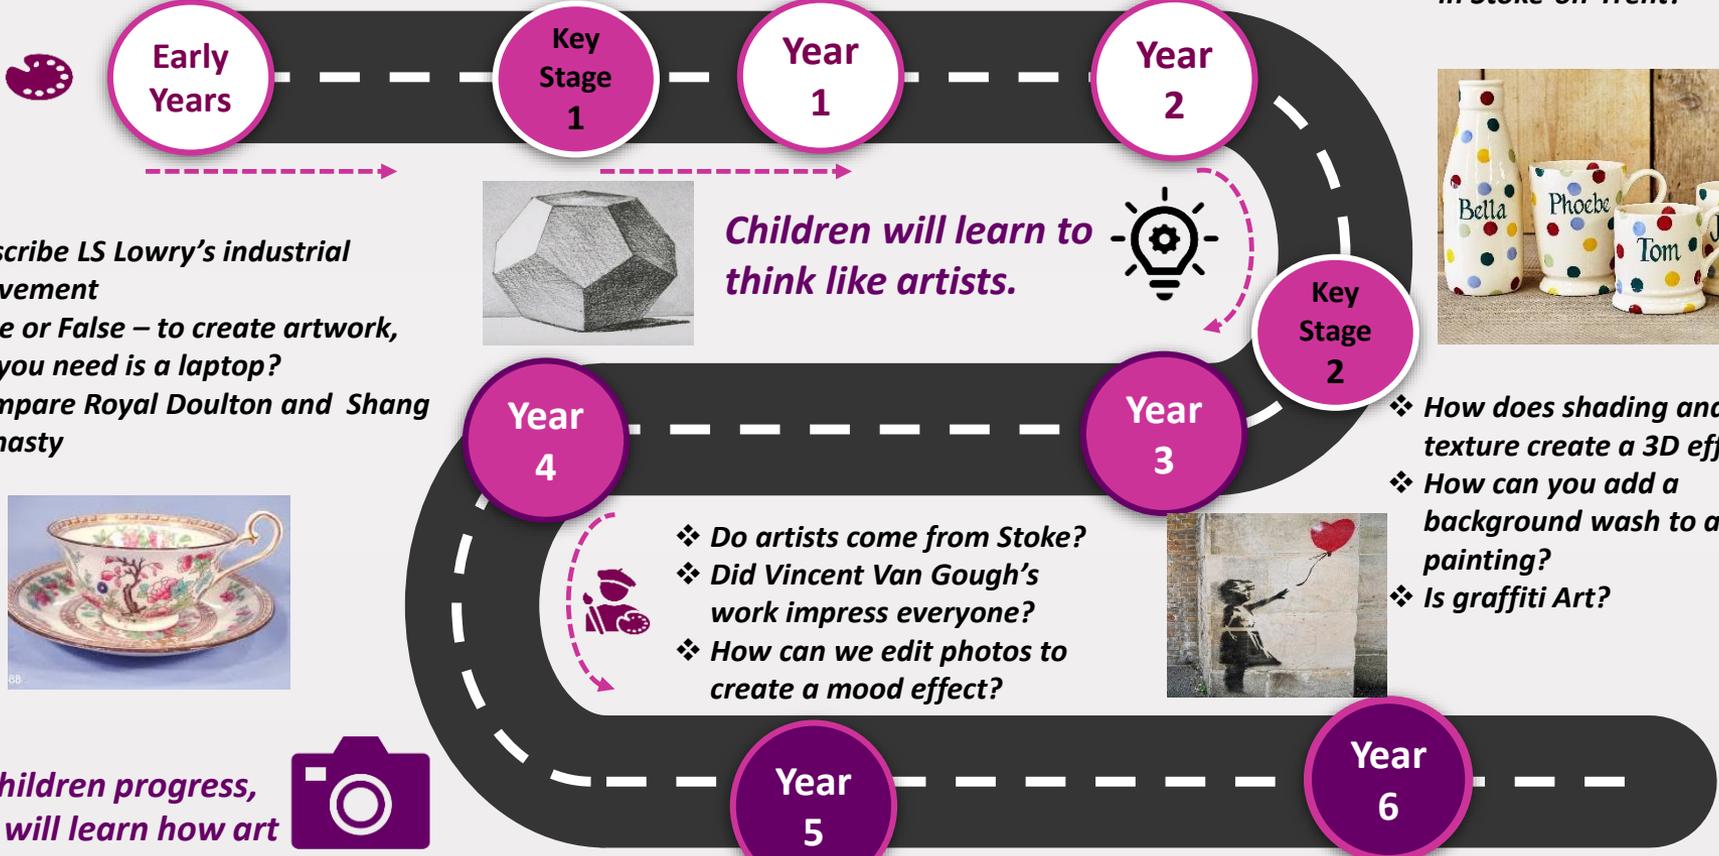

# **My Art & Design Journey**

- ❖ How do artists create tone?
- ❖ What colours are used create a tint?
- ❖ What kind of Art is made in Stoke-on-Trent?

In EYFS the children explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function. They share their creations, explaining the process they have used, preparing them for the National Curriculum.

- ❖ How does Picasso show emotion in his artwork?
- ❖ What are the primary and secondary colours?
- ❖ Can you create Art using materials?

- ❖ Describe LS Lowry's industrial movement
- ❖ True or False – to create artwork, all you need is a laptop?
- ❖ Compare Royal Doulton and Shang Dynasty

**Children will learn to think like artists.**

- ❖ How does shading and texture create a 3D effect?
- ❖ How can you add a background wash to a painting?
- ❖ Is graffiti Art?

- ❖ Do artists come from Stoke?
- ❖ Did Vincent Van Gogh's work impress everyone?
- ❖ How can we edit photos to create a mood effect?

**As children progress, they will learn how art and design both reflect and shape our history, and contribute to the culture, creativity and wealth of our nation.**

- ❖ Is Sid Kirkham's artwork similar to Lowry?
- ❖ How can colour block printing create different pattern effects?
- ❖ Name famous sculptures from Stoke-on-Trent.
