

26th January 2024

The news of our OUTSTANDING OFSTED Judgement was met with sheer delight from all in the OLSB family at the end of last week. Thank you to those families who were able to join our School full of stars for this announcement and for those who were unable we really hope you enjoyed the film footage. It appears we have global !!

To be judged 'Outstanding' in every area of the framework is an incredible achievement, one that around only 15% of primary schools in the country achieves.

I do want to say a big thank you to you our families for your further support in school this week. Those words of encouragement, praise and thanks do not go unnoticed particularly during the long dark month of January. I would like to re-iterate my thanks to our children, families, and staff for all the hard work and support you have all given on this journey to outstanding and in helping us to create a school of which we are all immensely proud of. I am delighted that the hard work and dedication of all of the staff has been recognised by OFSTED and they have clearly seen the very special place that OLSB is 'where love shines brightly'. For our wonderful children and extended school community this is nothing more than you deserve. I am proud to lead the school and look forward to further exciting journeys together in the months ahead.

Over the last fortnight Year 5 have travelled to Birmingham on the 11th January and took part in the Young Voices Concert. They were wonderful ambassadors of OLSB and sang their hearts out. We have such a host of talented singers. Well done to all of our wonderful children.
