

21st June 2024

As we approach the end of term we want to prepare our children for their next class in September 2024. Year 6 will visit their high schools on Wednesday 3rd July and Thursday 4th July.

On Wednesday 3rd July the children will take part in Move up day where they move to their new class and work with their new class teacher for the day.

We also wish to share with you all of the positive things that your child has been doing during the last academic year. There are several ways that we intend to do this:

All children from Nursery to Year 5 will bring home a copy of their school report on Friday 5th July.

Due to the date of the release of SATS results please note that Year 6 will bring home their school report and results on Friday 12th July.

Each class will also present an assembly celebrating their past year at school. Reception will carry out their graduation ceremony and of course there is the Sports Day's, End of Term Mass and Y6 Prom to look forward to.

Please find details of the times and dates below:
