1. Aims

Policy Statement

"By faith only do we know our position in the world, our circumstances, our rights and privileges, our fortunes, our parents, our brothers and sisters, our age, our mortality" John Henry Newman

In accordance with our Collegiate Mission statement, we strive to secure a shared vision for all associated with our Collegiate community and we aim to provide a caring environment which seeks to promote the development of self-respect and respect for others.

Regular attendance and punctuality are essential if children are to make good progress at school and maximise their full spiritual, academic and social potential in a caring and supportive environment. Staff, governors and Directors are committed to working in partnership with parents and carers to ensure that it is effectively and appropriately implemented.

The academies aim to achieve excellent attendance and punctuality by operating an attendance policy within which staff, students, parents/carers, other agencies and when appropriate, the Education Welfare Service can work in partnership. The academies maintain attendance records and initiate quick and early intervention when a problem is identified. We feel it is crucial that children develop the habit of regular and punctual attendance and learn to be responsible and reliable from the very start of their school career, whether or not they are of statutory school age. Staff encourage and expect excellent attendance and punctuality and liaise with parents/carers and other agencies when appropriate. In addition, good attendance and punctuality are seen as achievements in their own right and are recognised and rewarded as such by the academies. We believe that the most important factor in promoting good attendance is development of positive attitudes towards Collegiate life with a whole school approach. This policy is based on the premise of equal opportunities for all. It is the right of every child to receive an education. To do this, we must work with families to ensure that everybody understands their role and responsibilities in ensuring a child's excellent attendance.

2. Who is responsible for this policy?

- The collegiate has overall responsibility for the effective operation of this policy and for ensuring compliance with the relevant statutory or collegiate framework. The collegiate has delegated day-to-day responsibility for operating the policy to the local governing body and the principal of each collegiate school.
- The local governing body and senior leadership team at each collegiate school have a specific responsibility to ensure the fair application of this policy and all members of staff are responsible for supporting colleagues and ensuring its success.

3. Definitions

- 'Session' is a term related to the recording of absence data - every school day must have two 'sessions' (morning and afternoon), divided by a break, for which attendance must be recorded.
- 'Authorised absence' means that the school has either given approval in advance for a pupil of compulsory school age to be away or has accepted an explanation offered afterwards as justification for absence.
- 'Unauthorised absence' is where the school is not satisfied with the reasons given for an absence.

4. Legal duty

- Section 7 of the Education Act 1996 places a duty on parents/carers to ensure children of compulsory school age receive efficient full-time education suitable to the child's age, ability and aptitude and to any special needs the child may have. Parents/carers have a legal duty to ensure their child's regular attendance at the school where they are registered.
- A parent/carer who fails to ensure that their child attends school regularly is guilty of an offence under Section 444(1) of the Education Act 1996.

5. School commitment

- Everyone in school is committed to promoting excellent attendance and punctuality.
- All members of staff are made aware of how their role impacts on attendance and punctuality as well as the expectations of them in ensuring consistent application of the policy and the use of absence codes. Training will support this commitment. All staff, regardless of role, receive training in promoting good attendance as part of induction. The extent and regularity of the training will be proportionate to the role undertaken but the message will be clear that every member of staff can make a difference.
- The school will listen to and support pupils and parents/carers to achieve good attendance and punctuality, working closely with parents/carers where absence is a cause for concern.
- The school strives for 100% attendance for all pupils with a minimum expected target of 97%.

6. Key Information

- The school day for children in
Nursery and Reception Class starts at 8.40am and ends at 3.10pm
Key Stage One (Year 1 and Year 2) starts at 8.45 am and ends at 3.15pm
Key Stage Two (Year 3,4,5 and 6) starts at 8.45am and ends at 3.20pm
- The Senior Leader responsible for championing attendance is Mrs Janine Exon and they can be contacted through the school office on 01782 234646 or via office@olsbprimary.org.uk
- All absences should be reported by parents before 9am by ringing the school's dedicated attendance line on 01782 234646 and speaking to the school's attendance officer/administrator. School staff may follow up on the reason for absence with parents / carers
- Academy/collegiate staff may carry out a home visit at *any* point if a child is absent for *any* reason
- The school will always prioritise support over legal interventions. However, the school has a duty of care to inform parents that do not respond to the advice and support offered that a referral will be made to the Local Authority,

7. Legislation and guidance

This policy meets the requirements of the [‘Working together to improve school attendance’ August 2024](#) from the Department for Education (DfE), and refers to the DfE’s statutory guidance on [school attendance parental responsibility measures](#). 9. Recording attendance

(a) Attendance register

We will keep an attendance register, and place all pupils onto this register. Registers will be marked using the Department for Education's Attendance and Absence codes and data is shared through the Education (Information about individual Pupils) (England) (Amendment) Regulations 2024.

We will take our attendance register at the start of the first session of each school day and once during the second session. In addition in the secondary setting, teaching staff will check that the pupils timetabled to be in their lesson are present for each session. On each occasion, it will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment
- See appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

(b) Unplanned absence

The pupil's parent/carer must notify the school on the first day of an unplanned absence by a time set by the school or as soon as practically possible by calling the school office/absence line on 01782 234646 or by email to office@olsbprimary.org.uk(see also section 7).

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carers to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this.

(c) Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

Where possible we encourage parents/carers to make medical and dental appointments out of school hours. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary and attend before and/or after the appointment.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Please see section 10 to find out more about leave of absence requests.

(d) Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late 'L', using the appropriate code. A pupil will be marked as 'L' if arriving after 9.15am
- After the register has closed will be marked as absent 'U', using the appropriate code. A pupil will be marked as 'U' if arriving after 9.15am. 'U' mark is classified as an unauthorised absence and can be counted towards potential legal action.

(e) Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Text/email/telephone the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may carry out a home visit.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving the Collegiate Education Welfare Officer the Academy Safeguarding Manager, Local Authority Education Welfare and Children Missing Education.

(f) Reporting attendance to parents/carers

In line with DfE expectations, the school will regularly inform parents/carers about their child's attendance and absence levels via half-termly reports, attendance letters, attendance texts, telephone calls, meetings and at parents' evenings.

10. Authorised and unauthorised absence

(a) Approval for term-time absence

The Principal will only grant a leave of absence to pupils during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the Principal's discretion, including the length of time the pupil is authorised to be absent for. The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request, and request that any documentary evidence is submitted with the leave of absence request.

Examples of exceptional circumstances where leave *may* be granted during term time include:

- Funeral of parent, grandparent or sibling
- Serious illness of a close relative – only if the Principal is satisfied that the circumstances are truly exceptional
- Religious observance – The Education Act 1996 S444(3) (c), states "on any day exclusively set apart for religious observance by the religious body to which his/her parent belongs". If necessary the school will seek advice from the parents' religious body to confirm whether the day is set apart. (Only 1 day will be authorised)

Examples of circumstances **NOT** considered as exceptional:

- Holidays abroad for the purpose of visiting a sick relative, except where that person is seriously ill. Medical evidence may be requested.
- Holidays taken in term time due to lower cost/parental work commitment.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school website or the school office. The Principal may require evidence to support any request for leave of absence.

(b) Legal sanctions for an unauthorised leave of absence

If a term time leave of absence for five or more school days is not agreed to, and is recorded as unauthorised absence in the register, this will automatically be referred to the Education Welfare Service at the Local Authority which will result in:

- a Penalty Notice (fine) Payment of Penalty Notices within 21 days is £80 per parent/carer, per child, and payment after this time, but within 28 days is £160 per parent/carer, per child.
- Non-payment of the Penalty Notice may result in legal action for non-school attendance which could result in prosecution under Section 444(1) Education Act and/or s444(1)(a) Education Act 1996, where, if convicted a parent/carer may be fined up to £2500.
- The maximum number of Penalty Notices/fines which the Local Authority will issue in respect of an individual child in a twelve month period is two. If a parent is fined for a second offence within 3 years, the amount will be £160 per parent, per child payable within 28 days. If there is a further offence within 3 years a penalty notice will not be

considered and the case will be presented at the Magistrates Court were prosecution may be considered which can result in a criminal record and fines up to £2500.

If two or more leave of absences under five days are taken during the academic year which add up to five days or over, this may be referred to the Education Welfare Service at the Local Authority which could result in the fines as above.

If a student is unexpectedly absent the day(s) before, or after any planned leave of absence which then means the absence reaches five school days or over, the school will consider this as one period of unauthorised absence relating to a holiday (or other reason) and refer to the Local Authority which may result in a fine unless medical evidence or proof of evidence which confirms the original holiday dates applied for can be provided.

If a leave of absence has been taken under five school days and there is other unauthorised absence recorded, this could result in a 'Notice to Improve' issued from the Education Welfare Service at the Local Authority which could then result in a Penalty Notice (fine) being issued if there is no improvement in attendance. Payment of Penalty Notices is the same as in section (b).

If a student fails to attend the academy and their whereabouts are unknown, or, does not return to school on the date expected following a leave of absence the academy will implement the Local Authority's 'Children Missing Education' process on day six of non-attendance. On the twenty first day of non-attendance, the academy has the right to remove the student from the academy roll. The student will need to re-apply for a place. This may not be guaranteed due to other students who may be on the waiting list and the academy being oversubscribed.

(c) Authorised absence

Valid reasons for **authorised absence** include but are not limited to:

- Illness and medical/dental appointments
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart.

We will monitor attendance and absence data on a weekly, half-termly, termly and yearly basis across the school and at an individual pupil level. We will identify whether or not there are particular groups of children whose absences may be a cause for concern and require support.

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

Where a student's attendance becomes a concern and they fall below the primary/secondary expected minimum level of 97%, the academy will implement their monitoring system. We will work proactively with parents and pupils to improve their attendance. Parents/carers will be

informed about any attendance concerns via telephone calls, school communications, letters, meetings at the academy, home visits, open evenings and reports.

At the start of each term, and the end of the summer term, colour coded letters are sent out and monitoring attendance letters are sent as appropriate

(a) Analysing attendance

We will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns
- Identify pupils at risk of persistent absence and proactively support these students

(b) Using data to improve attendance

We will:

- Provide regular attendance reports to [class teachers/form tutors], and other school leaders, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

(c) Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Parent/carers will receive attendance letters, telephone calls, be invited in for a meeting once thresholds have been met.

If a student's absence is persistent, a letter will be sent home advising that no further absences will be authorised unless medical evidence is provided. This can be in the form of a GP letter, medical appointment card or the label from any prescribed medication in the pupil's name, covering the period of absence.

At any point, the Collegiate Education Welfare Officer may become involved and carry out home visits, attendance clinics, late gates and offer support and advice around attendance and punctuality concerns.

The Academy will look at working with and meeting with parents and pupils to remove potential barriers to school attendance and offer support which may involve external support agencies, Early Help, Family Support etc.

If there is no improvement, and the recorded absence is unauthorised, the case will be referred to the Education Welfare Service at the Local Authority and a statutory 'Notice to improve' letter may be issued, a formal referral made and the statutory legal intervention process would be implemented. This could lead to a penalty notice fine, or prosecution in the Magistrates Court for non-school attendance.

12. Vulnerable Pupils

We recognise that some groups of pupils are more vulnerable to poor attendance than others. These groups should be carefully monitored, barriers identified, and intervention should be targeted where additional support is required.

Pupils with medical needs, special educational needs and/or disabilities, young carers, pupils with a social worker or in receipt of pupil premium may require more targeted support than pupils outside of these groups.

13. Legal sanctions for unauthorised absence

Where support is not working, being engaged with or appropriate, the school will refer to the Local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

The Education Welfare Service may take the following legal proceedings against you for failure to comply with the Law:

- A Penalty Notice payable of **a £80 or £160 fine.**
- Prosecution under s444(1) Education Act 1996, where if convicted you may be fined up to **£1,000.**
- Prosecution under s444(1)(a) Education Act 1996 where if convicted you may be fined up to **£2,500 and/or 3 months imprisonment.**

14. Policy Monitoring arrangements

This policy will be reviewed as guidance from the Local Authority or DfE is updated, and as a minimum every academic year by the Catholic Senior Executive Leader (CSEL). The policy will be presented at the full governing board (at school level) and full Board of Directors (at MAC level).

15. Links with other policies

We expect excellent attendance from all of our children and appreciate parental support in achieving this.

Your child's attendance is currently ____%. There are ____ late marks recorded since September.

We monitor every child's attendance in school and use the following guide when checking attendance:

100% Outstanding achievement – Well done, we're impressed!

**98% - 99% Excellent Attendance
Your child is absent for less than 4 days in the school year**

**96% - 97% Good attendance
Your child could be missing up to 7 days of learning in the school year**

**95% - Just Below Attendance Target
Your Child's attendance may be monitored by the Academy Attendance Officer, they could be missing up to 2 weeks of learning in the school year which can make it harder for children to keep up in class**

**90% - 94% We are concerned, improvement is needed
Your Child's attendance will be monitored by the Academy Attendance Officer, they could be missing up to 4 weeks of learning in the school year.**

**Below 90% Serious Concern
Your child has been identified as a 'Persistently Absent Pupil' and their learning may be seriously affected by this. 90% equals 4 whole weeks of lessons missed. You may be contacted by the Education Welfare Officer and could face a Penalty Notice Warning or fine from the Education Welfare Service**

Your child's attendance percentage could be due to a significant period of absence, for example illness, which we understand is sometimes unavoidable. If this is the case, and your child continues to attend the academy regularly, then obviously the percentage will rise. Each week your child's attendance is assessed formally and you may be contacted to discuss this further.

Holidays/Leave during term time

As you will be aware, the academy cannot authorise any holidays/leave taken during term time. If taken, this may lead to a penalty notice warning/fine.

Again, thank you for supporting your child in achieving good attendance or working towards improving their attendance percentage. Please do not hesitate to contact the academy if you wish to discuss this further or any other issues which are impacting on your child's attendance that we are not already aware of. Yours sincerely
