

Dear Parents,

I wrote to you last week about our wall in the Reception Class. We have been notified that works will begin on the roof tomorrow, Wednesday 29th January. This involves a scaffolding tower been built in the Early Years entrance.

It will therefore be necessary for **Reception Class Children to continue to work on the left hand side of the school hall.**

We are now asking for **Nursery & Reception Class Children Only to be dropped off and collected from the main Black Hall Doors,** this is because of the works starting on the Early Years entrance and the gates will be locked.

Thank you once again for bearing with us whilst these repairs take place to be improve our school building.

With thanks,

A handwritten signature in black ink, appearing to read 'Sarah Clowes'.

Mrs Sarah Clowes
