

The Impact of our P.E & Sport Funding

Our Lady & St Benedict Catholic Academy

Please feel free to investigate the different ways we have been getting Physically Active!

Progress in 'The delivery in P.E'

- Every year our teachers evaluate our experiences of P.E.
- 'Green' statements show where our School is doing well, 'Red' shows where we are trying to get better!

Lockdown didn't help us!

Our School is in the process of improving the following areas....

- ◉ **Orange 1:** Pupils show very high levels of physical fitness and can work for prolonged periods of time.
- ◉ **Orange 2:** Specialist coaches that are used are very organised and well planned.
- ◉ **Orange 3:** Pathways from school to community sport and physical activity exist.

Orange 1: Pupils show very high levels of physical fitness and can work for prolonged periods of time.

Action Plan response:

- We have made progress in regard to the pupils resilience and ability to keep moving in lesson time. After Covid we have found some of our pupils were a little short of fitness, whilst data shows they have begun to make a recovery. We still feel that all of our children would benefit from being encouraged to challenge themselves to move a little more throughout each day.
-
- Mr. Sigley & Ms. Adams are running a plethora of initiatives to inspire the children to be the best they can be. We will also continue to use our effort bags as a reward and to tackle socio-economic barriers, as well as our Wall of Fame and Healthy, Lifestyle week.

Orange 2:

Action Plan response

Dance is an area of the curriculum that various teachers have asked for support in. In 25/26 we will have specialist Dance teachers from local renowned dance company SCDC. The dance teacher will help our class teachers to teach our Collegiate scheme providing CPD for staff and quality learning opportunities for our pupils.

Orange 3: Pathways from school to community sport and physical activity exist.

Action Plan response:

- We think our children are amazing at OLSB – especially in P.E! We think it's time our local community knows it too.
-
- Throughout 2025/26 we aim to encourage our children to become as active as possible outside of School. We will be strengthening links to community sport and physical activity and tracking how many of children are engaging with it.
- Ultimately we want our children to lead a healthy, happy and safe life. A great way to do that is to join in organised exercise outside of School.

Swimming!

Class of 2024/25:

63% of our Year 6 class have met the National Curriculum standard this year.

To close the attainment gap moving forward, Year 5 began their swimming lessons in the spring term. So far, the data from this is looking promising.

Let the fun begin!

Fitness at OLSB

At OLSB this year our children will be focusing on getting as fit as possible and staying healthy!

Children at OLSB will benefit from brand new outdoor fitness equipment. This equipment is for use during break, lunch, PE lessons and after school.

The new equipment is being used to promote fun fitness and encourage all children to take part in physical education.

Pupil Voice!

Stewart – “I really enjoyed taking part in the Basketball Workshop at St. Margaret Ward” .

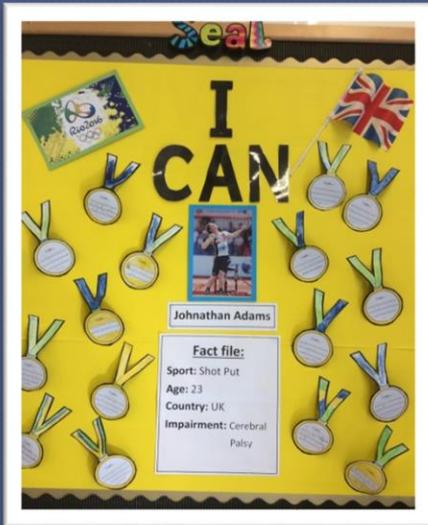

Divine – “Cricket was fun because I learnt batting and bowling”

Elijah – “We get to go out lots for sport, I can't wait for the next event!”
