OLSB Catholic Academy

School Action Plan 2025-2026

All 'Area's to Improve were aspects highlighted as red or orange on the P.E audits completed at the completion of the 2024-2025 academic year. (Three 'Orange' areas have been added to allow the School to focus on three areas in 2025-2026. We have no reds!)

Area to improve	Pupils show very high levels of physical fitness and can work for prolonged periods of time.
School action	<p>We have made progress in regard to the pupils resilience and ability to keep moving in lesson time. After Covid we have found some of our pupils were a little short of fitness, whilst data shows they have begun to make a recovery. We still feel that all of our children would benefit from being encouraged to challenge themselves to move a little more throughout each day.</p> <p>Mr. Sigley & Mrs McCue are running a plethora of initiatives to inspire the children to be the best they can be. We will also continue to use our effort bags as a reward and to tackle socio-economic barriers, as well as our Wall of Fame and Healthy, Lifestyle week.</p>
Area to improve	Specialist coaches that are used are very organized and well planned.
School action	<p>Dance is an area of the curriculum that various teachers have asked for support in. In 25/26 we will have specialist Dance teachers from local renowned dance company SCDC. The dance teacher will help our class teachers to teach our scheme providing CPD for staff and quality learning opportunities for our pupils.</p>
Area to improve	Pathways from school to community sport and physical activity exist.
School action	<p>We think our children are amazing at OLSB – especially in P.E! We think it's time our local community knows it too.</p> <p>Throughout 2025/26 we aim to encourage our children to become as active as possible outside of School. We will be strengthening links to community sport and physical activity and tracking how many of children are engaging with it. Ultimately we want our children to lead a healthy, happy and safe life. A great way to do that is to join in organised exercise outside of School.</p>
